The FAU Track & Field and Cross-Country Owls Running Club has been established to provide essential resources to the FAU Track & Cross-Country program in order to compete at the highest levels. The secret ingredient and strength of a top track & field and cross-country program is the private giving and backing it has from the local community.

By joining the Owls Running Club, you provide our program with championship-caliber resources to continue elevating FAU Track & Field and Cross-Country in the national spotlight. Your annual commitment will provide tremendous impact to our student athletes’ experience here in Paradise.
