Dear Paradise Club Members,

Thank you for another wonderful year! Your investment allows our student-athletes and coaches to continue Winning in Paradise.

Florida Atlantic Athletics is the front porch for the university, and I’m so proud of how the Owls continue to represent the FAU community in such a positive way. Our teams win at a high level, and we do it the right way on and off the field.

We are wrapping up yet another successful year as an inaugural member of the American Athletic Conference. While we stepped up in weight class, the Owls clearly demonstrated we belong.

Fall sports were competitive, with volleyball reaching the postseason for the first time since 2005. Obviously, men’s basketball enjoyed another memorable season that was capped with the school’s first back-to-back NCAA Tournament appearances. We ended the year with an amazing spring season that was highlighted by softball winning the school’s first AAC regular season title and reaching the NCAA Tournament. Second-year Hagerty Family Head Football Coach Tom Herman is building momentum towards 2024, and season tickets sales have been strong – up nearly 35% from last year with an exciting schedule on tap at FAU Stadium.

We welcomed new Head Men’s Basketball Coach John Jakus in March. John has hired a tremendous staff and is building a talented roster for next year as the Owls look for their third straight NCAA Tournament.

This opportunity to achieve success at the highest level of NCAA competition is possible because of your unwavering generosity. Your support not only impacts the performance of our nearly 450 student-athletes on the field but plays a crucial role in shaping their academic success and preparing them for life after graduation.

For 18 consecutive semesters, our student-athletes have maintained a remarkable grade point average above 3.0, with three-quarters of our Owls achieving better than a 3.0. With commencement in May, we welcomed another cohort of student-athletes to the growing FAU alumni network. Our players, coaches and staff are fully committed to Winning in Paradise as we continue to raise expectations across all aspects of our programs. We sincerely thank you for your on-going investment in the Owls and look forward to seeing you soon.

Go Owls!
