A MESSAGE FROM VICE PRESIDENT & DIRECTOR OF ATHLETICS

Dear Paradise Club Members,

As I write this annual letter, one of the most successful spring athletic seasons in Florida Atlantic's history is unfolding. We are experiencing significant wins and championships, with much more in store!

Softball claimed its second consecutive American Athletic Conference regular season championship, Beach Volleyball won the C-USA Championship and competed in the NCAA Tournament, while Women's

Tennis was the only Division I team to go undefeated in the regular season, also earning an NCAA Tournament berth.

Our success and growth would not be possible without your unwavering support. Whether you are a first-year Paradise Club or a seasoned veteran, we thank you! We are building something very special in Boca Raton and you play an extraordinary role.

Your support not only impacts the performance of our nearly 450 student-athletes on the field but plays a critical role in shaping their academic success and preparing them for life after graduation. Now for 20 consecutive semesters, our Owls have maintained a remarkable grade point average of better than 3.0.

Please take a moment to review this brochure and learn all the ways your investment matters at Florida Atlantic. We are proud of what has been accomplished but we're never satisfied. As we continue to raise expectations, we look forward to achieving our goals and winning championships with you on the Hometown Team!

Thank you again for all you do.

Go Owls!
