Dear Paradise Club Members,

Thank you for another truly incredible year! What a special time it is to be part of the Florida Atlantic Athletics family. Our mission is to create a brighter future for FAU through student-athlete success, and your investment helps make that a reality.

The successes and momentum we're experiencing would not be possible without your unwavering support. Whether you are a first-year Paradise Club or a seasoned veteran, we thank you! We are building something very special in Boca Raton, and you play an extraordinary role.

This past year brought significant wins, highlighted by significant wins and championships, record-breaking academic achievement and so much more. Our men's soccer team's historic season included both regular-season and tournament titles in the American Conference as well as the program's first NCAA Tournament appearance. It was also a history making year for men's swimming & diving, winning their first conference championship. Three of our incredible head coaches eclipsed milestone victories, headlined by John McCormack's 600th baseball win, along with Fernanda Nelson's 200th volleyball victory and Jordan Clark's 150th win in softball.

LeAnn Freeland enjoyed a successful debut season, leading women's basketball to its first American Conference Tournament win, while John Jakus won more games in his first two seasons than any men's basketball coach in team history.

Under the leadership of Hagerty Family Head Football Coach Zach Kittley, we cannot wait to return to Flagler Credit Union Stadium this fall! The home schedule is packed with great games, and we're excited for Year 2 of the "Owl Raid," welcoming back QB Caden Veltkamp and WR Easton Messer, two of the most explosive players in college football, along with a defense that looks imposing. Continuity was key as the Owls welcome back nearly 80% of the offensive production and more than 50% on defense from last season. Also, a rarity in this age of college football, but the entire coaching staff is returning in 2026, which speaks to the belief in the vision and culture that Coach Kittley has created.

Your support not only impacts the performance of our nearly 450 student-athletes on the field but also plays a critical role in shaping their academic success and preparing them for life after graduation. For 22 consecutive semesters, our Owls have maintained a remarkable grade point average of better than 3.0. An impressive 75% of our student-athletes achieved a spring GPA of 3.0 or better. Equally important, we celebrated the graduation of 105 student-athletes who we know will make a positive impact on the community and beyond.

Please take a moment to review this guide and learn all the ways your investment matters at Florida Atlantic. We are proud of what has been accomplished but we're never satisfied. As we continue to raise expectations, we look forward to achieving our goals and winning championships with you on the Hometown Team! Thank you again for all you do.

Go Owls!
